

PARKING WHILE VISITING ROBERTO'S

Roberto's customers are welcome to park on the Roberto's side of Kingsley Avenue. Please be respectful to the residents of the street by not blocking driveways, double parking, or parking in reserved spaces.

There is also a parking lot at the end of Short Street, which is directly across Pleasant Street from Roberto's. It is the parking lot to the right, which is reserved for Roberto's customers.

Please use only the parking spots on the right side of the Short Street lot – do not park anywhere that is marked "Residential Parking Only"
